

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

## UNIVERSAL X-RAY DEVICE

Case No. <u>P02,0048</u>	, the specification o	of which		
(check one)	is attached hereto. was filed on Application Serial is and was amended of (if applicable)	, as No on		
	that I have reviewed and under amended by any amendment r	estand the contents of the above identified specification, referred to above.		
		ited States Patent Office all information which is known ation in accordance with Title 37, Code of Federal		
America before my or before my or our invention public use or on sale in that the invention has read of this application in a legal representatives or patent or inventor's cer America prior to this a	our invention thereof, or patention thereof or more than one year the United States of America not been patented or made the say country foreign to the United assigns more than twelve more tificate on this invention has be pplication by me or my legal response.	ton was ever known or used in the United States of ted or described in any printed publication in any country year prior to this application, that the same was not in more than one year prior to this application, and I believe subject of an inventor's certificate issued before the date d States of America on an application filed by me or my on this prior to this application, and that no application for een filed in any country foreign to the United States of expresentatives or assigns, except as identified below:  Title 35, United States Code, 119 of any foreign to below		
Prior Foreign Number		Date		
10109754.9	Germany	February 28, 2001		
and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the above listed application on which priority is claimed:				
Prior Foreign Number	Application(s) Country	Date		
(h) Under this se	ection information is material to nationabili	lity when it is not cumulative to information already of record or being		
made of record in the applicati	on, and	,		

<sup>(1)</sup> It establishes, by itself or in combination with other information, a prima facie case of unpatentability of a claim; or

<sup>(2)</sup> It refutes, or is inconsistent with, a position the applicant takes in:

(i) Opposing an argument of unpatentability relied on by the Office, or

<sup>(</sup>ii) Asserting an argument of patentability.

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

If no priority is claimed, I have identified all foreign patent applications filed prior to this application:

Prior Foreign Application(s)

Number Country Date
